ADVENT SESSION WITH FR. BERNARD, SMM.

December 6, 2025

REJOICE IN HOPE

We live in difficult and challenging times and simply put, it's hard to rejoice. When we look at the broken relationships between parents and children, betrayal of partners, financial hurdles, illnesses and the killing of innocent children/people, we are afraid and our hope is tested.

This session will reflect on what it means to prepare our hearts and our world for Emmanuel- God with us- amid the challenges and hopes of today. This will aim at awakening in us a spirit of hope, longing, and readiness for God's coming.

Please join us for this day of prayer, meditation, reconciliation, fellowship and preparation for the birth of our Lord.

** Suggested Donation for the afternoon: \$20.00*
